thousands of families are facing an affordable housing crisis

11.4% households in Alberta are in **core housing need**

30%+ of income is spent on housing that is:

- ✓ adequate
- ✓ suitable
- ✓ affordable

but there is a solution

We bring the community together to help families build strength, stability and independence through affordable home ownership.

In 2020, 29 families began their journey into affordable home ownership. This was possible because of you – our dedicated sponsors, donors, volunteers and community partners.

I am so thankful for the sponsors and donors. They are investing in families and strengthening communities. It's a beautiful organization to be part of.

- Nicole, Habitat homeowner

your support has made home ownership dreams come true

For many families in Southern Alberta, saving for a down payment is simply out of reach. So, the day they sign their mortgage and take possession of their Habitat home feels like a dream.

Many homeowners begin to notice the impact on their family immediately.

Everything is like a dream. I'm a proud mom who can provide the most needed thing for her family, with the help of Habitat for Humanity.

- Zufan, Habitat homeowner

89% of homeowners say their family life has improved.

91% of homeowners say they have increased confidence.

92% of homeowners have less stress related to housing.
