thousands of families are facing an affordable housing crisis

11.4%

of households in Alberta
are in core housing need

A household is in core housing need if its housing does not meet one or more of adequacy, suitability or affordability standards and it would have to spend 30% or more of its before-tax income to access local housing that meets all three standards.

*Statistics Canada, Census Program Data Viewer: 2016 Census.

Building stronger communities

We bring the community
together to help families
build strength, stability and
independence through
affordable home ownership.

“

The day I moved in
felt amazing because
I realized that it's a
new beginning and
a new start.

- Yunus, 16 years old

your support gives families a fresh start

Because of you, 25 homeowners took possession of their Habitat homes last year, changing the lives of 66 children forever.

Whether you're a sponsor, donor, volunteer or community partner, you have had a vital role in achieving this impact.

“Being with Habitat brings a peace of mind, knowing I won't have to pay more than I can afford on my mortgage.

- Hassina, Habitat homeowner

87%

of homeowners surveyed say that owning their home makes them feel more optimistic about the future.

76%

say that they spend more time together as a family.

83%

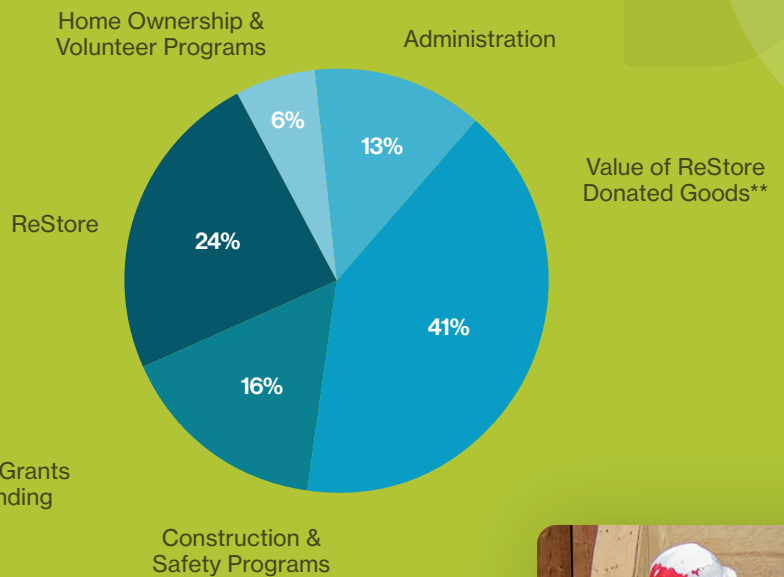

indicate that they have made more connections in their community.

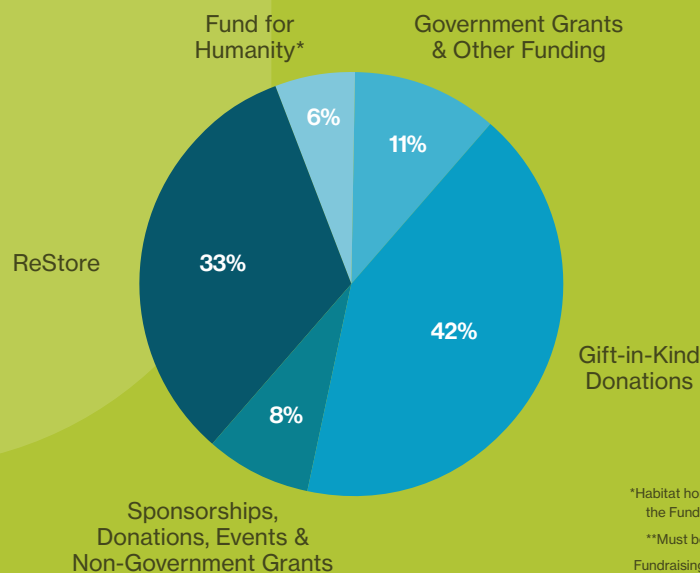

*Based on an evaluation by the Constellation Consulting Group in 2019 of more than 100 homeowners in Southern Alberta who have been living in their Habitat home for at least one year.

financial summary

operating expenses \$15.3M

funding sources \$15.3M

*Habitat homeowners' mortgage payments are pooled into the Fund for Humanity and support our build program

**Must be noted as an expense to comply with GAAP
Fundraising costs were 23% of total funds raised in 2021.

338 families

Since 1990, you have helped 993 children build stability through affordable home ownership in communities across Southern Alberta.
